### **Fall Show 2001**

**The site for the Fall Show will be the Morris Gallery on Hillcrest Road. The dates are:**

- ◆ October 29th, paintings to gallery
- ◆ Nov. 1<sup>st</sup> or 2<sup>nd</sup>, juried
- ◆ Nov. 3<sup>rd</sup>, hung –
- ◆ Nov 4<sup>th</sup> (Sun.), reception
- ◆ The show will hang until Nov. 30<sup>th</sup>

Details will follow as they are worked out.

## **And Now, Not So Good:**

The Eastern Shore Gallery in Fairhope have informed us that they are not going to have our show there in the spring of 2002. Lynn Yonge, the new Exhibit Chairman, has booked another exhibition in our place. At this time they are still intending to have our show there in the spring of 2003.

This means that we will have to scramble in order to get another space by that time. If anyone has suggestions, please let Allan or Kate know as soon as possible!

Also, (due mostly to the recent economic downturn, we hope!) we need to find new sponsors for our prizes in the fall show. Again, if you can be of help here, please contact Allan or Kate. And the sooner the better, because we will need to line up sponsors before they plan their budgets.

### **SPECIAL NOTES (Neither Good nor Bad)**

1. With this newsletter we are including a copy of the minutes of the last general meeting. Please be sure to read the proposed *standing rule* (definitions of media), and the *amendments* that have been proposed so you can vote at the next meeting. We will need to have the issue of the media definitions settled by the time of the judging of the fall show.
2. Enclosed you should also find a copy of the updated membership list. Save this for your convenience and be sure to let your secretary know of any errors, omissions, or changes: ([ltouart@touart.com](mailto:ltouart@touart.com))
